

Cutting layout

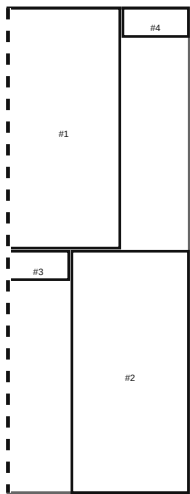

The fabric is folded selvedge to selvedge, so the usable width is HALF the bolt. A piece marked "ON FOLD" sits on that fold.

PURCHASE SEPARATELY: 1 hook-and-bar (or hook and eye) for the waistband ends (sewing guide section 3b.2). Not included in cloth yardage.

PURCHASE SEPARATELY: lightweight woven fusible interfacing, a strip 800 x 45 mm, for the outer half of the waistband (sewing guide section 3b.2). Not included in cloth yardage.

PURCHASE SEPARATELY: 1 concealed zip, at least 300 mm long, for the centre back opening (sewing guide section 3b.1). Not included in cloth yardage.

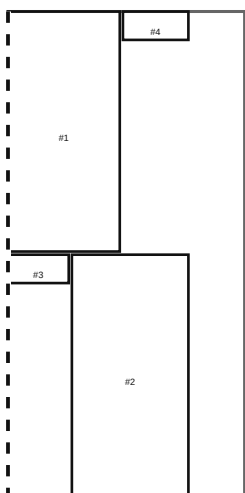

115 cm wide fabric - layout uses 1.54 m

scale 1:24 . dashed line on the left = the fold . usable width 575 mm

#1 skirt_front: ON FOLD . #3 waistband_front: ON FOLD . #2 skirt_back: 2 MIRRORED . #4 waistband_back: 2 MIRRORED

150 cm wide fabric - layout uses 1.54 m

scale 1:24 . dashed line on the left = the fold . usable width 750 mm

#1 skirt_front: ON FOLD . #3 waistband_front: ON FOLD . #2 skirt_back: 2 MIRRORED . #4 waistband_back: 2 MIRRORED

Yardage covers these placements only; shrinkage and matching prints need extra cloth. Keep each grainline parallel to the selvedge. Cut single pieces through the top layer only.
